

MILFORD TOWNSHIP FISH, GAME AND FORESTRY ASSOCIATION

PISTOL RANGE RULES

1. The ranges will open at 9:00 am daily, Monday through Saturday. The ranges will be open at 12:00 pm (noon) on Sunday. All shooting will cease immediately at the time posted at the staging areas and the range closing time will be strictly enforced.,
2. Ranges are closed during all special events of the club.
3. Obey instantly all firing line commands.
4. No rapid fire. Minimum 3-second pause between shots.
5. Only pistols, shotguns, 17 and 22-caliber rim-fire rifles and black powder pistols are permitted on this range. No use of shotgun slugs, buck shot, or shot heavier than number two when patterning shotguns; no high-power (those using center-fire ammunition) rifles – use the rifle range for shotguns with slugs or buckshot, black powder long rifles, and higher power firearms.
6. No full-automatic firearms are allowed on the ranges at any time.
7. For shotgun usage, the only aerial targets permitted are clay pigeons with number seven and a half (#7-1/2) shot being the heaviest shot permitted. When shooting clay pigeons, shooters must stand inside the pipe frames situated on the fifty yard bench and the birds must fly within the yellow poles at either side of the range backstop.
8. Only paper targets are permitted on the range. Shooting at all other objects (such as cans or bottles) is dangerous and not permitted. Targets must be hung between the wooden stringers on cardboard; no targets may be attached directly to any wooden poles.
9. Police the range at the conclusion of your own shoot. Remove old targets, spent casings, and other trash and place in proper receptacles.
10. All misfired ammunition must be removed from the premises by the shooter.

HELP US HAVE A SAFE CLEAN RANGE

Any violation of the above rules is cause for disciplinary action that may include suspension of range privileges or expulsion from the club. Report any incident on the range to the board of directors with as much information as possible. Any unauthorized person using the range will be held liable for trespassing.

I have read the above and understand and will follow these rules
